March 28, 2023

Turbopower LLC is excited to announce the appointment of Greg Watson as Chief Operating Officer. In his new role, Watson will be responsible for overseeing and improving the operations of the company, with a focus on driving efficiencies, implementing lean principles, and promoting best practices throughout the organization.

With over 20 years of experience in the aviation industry, Watson brings a wealth of knowledge and expertise to the position. He has held various positions of increasing responsibility throughout his career, including COO for King Aerospace in Dallas, Texas, General Manager for LIMCO Airepair in Tulsa, OK, General Manager for Collins Aerospace in Miramar, FL and Santa Isabel, Puerto Rico, and Director of Operations for Safran in Queretaro, Mexico.

"We are excited to welcome Greg Watson to our team as COO," said Vlad Miskovic, CEO of Turbopower LLC. "His impressive track record of operational excellence and leadership in the aviation industry, makes him the perfect fit to help us drive our business forward and achieve our strategic goals."

Watson's appointment is effective immediately, and he will be based out of Turbopower LLC's headquarters in Miami, FL.

#### **About Turbopower**

Turbopower is a provider of maintenance, repair and overhaul services for gas turbine engines, auxiliary power units and component parts to military and commercial customers worldwide. The Company holds numerous quality and customer certifications, including FAA Part 145 repair station and Rolls-Royce Authorized Maintenance Center certification. Turbopower operates out of a state-of-the-art 100,000 square foot facility with on-site engine test cells. Turbopower was founded in 1974 and is based in Opa-Locka, Florida.
