

Company Overview:

Turbopower LLC (“Turbopower” or “Company”) is a rapidly growing provider of maintenance, repair and overhaul services for gas turbine engines, auxiliary power units and component parts to military and commercial customers worldwide. The Company holds numerous quality and customer certifications, including FAA Part 145 repair station and Rolls-Royce Authorized Maintenance Center certification. Turbopower operates out of a state-of-the-art 100,000 square foot facility with on-site engine test cells. Turbopower is an affiliate of Battle Investment Group, LLC and is based in Opa-Locka, FL.

We offer a comprehensive benefits package which includes health, dental, vision, & life insurance, and 401k Retirement plan.

Position Description:

The senior financial, planning & analysis (“FP&A”) and accounting manager (“Manager”) will support the Controller and executive leadership of the Company in the implementation and reporting of budgeting, forecasting, profitability analysis, strategic planning and modeling and business case formulations. In addition, the Manager will also support the Controller with the accounting functions of the business. High-performing individuals will have the opportunity to advance into greater leadership roles within Turbopower and/or its affiliate companies within the Battle Investment Group portfolio.

Primary Responsibilities:

- Manage monthly internal reporting with a strong focus on internal controls to ensure accurate and consistent financial reporting
- Support the accurate and timely preparation of annual operating plans, quarterly forecasts and monthly P&Ls
- Assist in preparation of presentations related to Turbopower’s financial results and plans for the Board
- Leverage and develop tools to provide variance and key driver analysis across all lines of business
- Provide analytical support that helps drive business decisions and areas of concern or opportunity
- Optimize the value chain of controlling activities as well as drive the business to improve performance in a sustainable manner by bringing additional transparency through Key Performance Indicators (KPIs)
- Support continuous improvement and development of a high-quality FP&A function
- Lead bank reporting, including borrowing base certificates, covenant reporting and inventory appraisals
- Lead tax compliance, including maintaining customer tax-exempt certifications
- Support day-to-day accounting functions (billing, accounts receivable, accounts payable, etc.)
- Assist with development of cost standards
- Audit inventory cycle count
- Understand the general ledger/trial balance in order to research variances noted during monthly close processes
- Complete complex accounting activities such as preparing and adjusting journal entries in accordance with GAAP
- Monitor customer account details for non-payments, delayed payments and other irregularities

Experience, Knowledge and Skill Requirements:

- 5+ years of FP&A and accounting experience (preferable public accounting experience)
- Bachelor’s Degree in business or related field
- Strong knowledge of GAAP, internal controls and financial reporting
- Experience with full trial balance review, analysis, journal entry preparation and review
- Advanced proficiency in Microsoft Office (Word, Excel, PowerPoint, Outlook), must be comfortable using lookup functions and pivot tables
- Ability to accomplish tasks completely and accurately with time limited deadlines
- Experience in the private equity owned company and Quantum Accounting (ERP system) experience is preferred.

Interested, qualified candidates can submit their resumes for consideration to resumes@turbopowerllc.com and reference position title in the subject line.
